

JCT-140

Single Toilet Paper Eco-friendly Paper Film Packing Machine

QUICK DESCRIPTION

The machine uses environmentally friendly Sydney paper or copy paper to pack a single toilet paper roll. Its fastest speed can reach 100ppm. It supports direct connection with bandsaw as a toilet paper roll production line.

TECHNICAL PARAMETER

Model	JCT-140
Paper quality	0.03-0.05mm
Maximum packing specification	L(90-120)mm,Dia 100-130mm
Packing speed	60-100 rolls/minute
Main Motor power	3.5KW
Total power	5.71KW
Power supply type	3phase 4wire 380V 50Hz
Machine noise	≤80dB
Air supply	0.5-0.8 Mpa
Air consumption	120-160L/min
Machine Size	2600*2350*1650mm
Machine weight	2500KG
