

JCT-190

All-in-One Rectangular/Pyramid Tea Bag Packaging Machine

QUICK DESCRIPTION

A multifunctional tea bag packaging machine that integrates inner bag and overwrap packaging functions into one overall device. This makes the operation of this machine simpler, more compact, and rational use of space.

TECHNICAL PARAMETER

Model	JCT-190
Bag Shape	Triangular bag or rectangular bag
Packing Capacity	30-50 bags/min
Dimensions	L1800*W860*H2100mm
Net Weight	800KG
Power Supply	single phase 200-240V 50~60Hz 2kw
Gas Consumption	200L/Min, 0.5~0.6Mpa
Bag Size	Inner Bag: W50~80mm L50~80mm; Overwrap: W80~90mm L90~120mm;
Packing Method	Inner Bag: 3-side ultrasonic sealing; Overwrap: 3-side heat sealing or back-line heat sealing
Packing Material	Inner Bag: Any suitable filters for ultrasonic sealing such as nylon mesh, bio mesh, bio NWF, etc. Overwrap: Laminated film (PP ,PE, etc.)
